Skills

- **Databases & Tools:** MySQL, Excel
- **Programming Languages:** Python, Java
- **Web Technologies:** Django, HTML, CSS, Bootstrap

Education

M.Sc. Computer Science

Savitribai Phule Pune University, Ganeshkhind, Pune

CGPA: Awaited (2024 – 2026)

B.Sc. Computer Science

Someshwar Science College, Someshwarnagar, Baramati

CGPA: 8.55 — 81.23% (2021 – 2024)

XII (HSC)

Samata Junior College, Padegaon, Taluka Khandala, District Pune

Percentage: 59.49% (2019 – 2020)

X (SSC)

Barshi Technical High School, Barshi, Solapur

Percentage: 77.80% (2016 – 2017)

Projects

Apana Motel — DBMS-Based Online Food Delivery System

- Designed and developed a web-based online food delivery system with a user-friendly interface.
- Implemented backend logic and database management for efficient order processing.
- **Technologies Used:** Django, MySQL, HTML, CSS, Bootstrap

Project Link:  Repository

Waste Management System — Web-Based Application

- Developed a web application to efficiently track, manage, and analyze waste data.
- Integrated Django REST APIs with a Streamlit-based dashboard for data visualization.
- **Technologies Used:** Django, REST API, Streamlit, MySQL, PyTorch

Assembly to Python Output Converter — Systems Programming

- Developed a Python-based tool to convert NASM assembly instructions into intermediate Python code.
- Implemented MODRM and SIB byte calculations to support multiple addressing modes.
- **Technologies Used:** Python, NASM, Assembly Instruction Encoding

Project Link:  Repository

Certifications

- Typing Certification: Marathi – 30 w.p.m; English – 30 w.p.m; English – 40 w.p.m
- MS-CIT (Maharashtra State Certificate in Information Technology)
- PMKVY – Field Technician in Networking and Storage (FTNS)

Interests & Hobbies

- Shayari and Poetry Writing
- Music
- Traveling

Achievements & Awards

- Successfully certified under the Government of India skill development program PMKVY as a Field Technician in Networking and Storage.
- Runner-up at the State-Level Science and Technology Project Festival, *Someshwar Technothon 2023*.
